

# TUESDAY, 2.15PM

# SHUN TOM WATSON!

# SUPPORT JEREMY CORBYN!

Tom Watson is right about one thing: There is indeed “a battle for the future of the Labour Party”. And he is on the wrong side!

From the day that Jeremy Corbyn was elected leader of the Labour Party, Tom Watson has done everything in his power to sabotage and undermine him. He helped to coordinate both coups against Corbyn, tried to prevent Corbyn standing in the second leadership contest, claims that there is “culture of permissiveness” over anti-Semitism in

the party and has publicly bullied general secretary Jennie Formby while she was undergoing chemotherapy.

So today we want to show, with a variety of actions, that Tom Watson does not speak for us! If he cannot support the leadership as he was elected to do by members, he should resign his position immediately.

Many delegates and visitors in the hall want to walk out; others may stay and sing “Oh Jeremy Corbyn”; others want to boycott Watson’s speech altogether.

**More than 1,300 people from 400 CLPs already support LLA (as do over 20 national and local Labour Left organisations). We believe there is an urgent need to build a democratic, transparent and socialist Labour Left Alliance that:**

- organises democratically and transparently; both supports Corbyn against attacks by the right, and is independent and able to criticise the leadership when necessary;
- campaigns for the implementation of trigger ballots (as a step towards mandatory reselection)
- opposes racism, anti-Semitism, Islamophobia and all other forms of discrimination
- opposes attempts to conflate anti-Zionism with antisemitism;
- campaigns to radically transform and democratise the Labour Party & the unions.
- supports and encourages struggles against austerity and all forms of oppression.

Those who leave the hall are very welcome to join our brief pro-Corbyn rally outside the Grand Hotel at 2.15pm
